We invite you to tour the newly renovated Miller County Museum during the
Open House Saturday, May 17 from 12:00 p.m. to 4:00 p.m.

The new addition is completed, permitting visitors to research using up-to-date technology to explore Miller County history and genealogies. The old Anchor Mill building is in the process of being transformed into a replica of a Miller County town during the 18th century. Please join us and enjoy the atmosphere of the past in a new facility.

Our new web site is on line at www.millercountymuseum.org.
Visiting hours are ten a.m. to four p.m. Monday, Wednesday, Friday and Saturday.
