Dear Paul,

This is a note of thanks for taking time to meet
with us. The video tape we got looks great.

All of you gentlemen are invaluable in our telling
the Bagnell Dam Story. We are confident your interviews
will be the highlights of the 50-year celebration.

We shall be in touch. Don't forget, when finished,
we plan a private showing. Again, thanks.

Sincerely,

Dear Mr. Martin:

Thought you might like copies of a souvenir newspaper that Union Electric is providing this year to tourist who visit Bagnell Dam and our mobile exhibit.

I hope you and your family will have an opportunity to visit the dam or the mobile exhibit this summer if you have not already done so. The mobile exhibit is currently located on "The Strip" one block north of the dam and will remain at that location until July 13. It will be located at Fort of the Osage Theme Park from July 17 through September. The exhibit will be open daily except for Mondays and Tuesdays. It has already proved to be one of the top attractions for residents and tourist during this 50th year.

If you would be interested in serving as a volunteer during opening hour of the trailer at either location, please contact Lorraine Burke at the Lake Association office, (365-2902).

Sincerely,
